SUBJECT: Student Assistance Coordinator (SAC) Residency Program – 2012-2013

As you are aware, the New Jersey Department of Education has established regulations for the Student Assistance Coordinator (SAC) Residency Program for those candidates who hold a Certificate of Eligibility (CE) or a Certificate of Eligibility with Advanced Standing (CEAS). Your efforts to support the candidates with their professional growth have contributed to the success of the program.

For your reference, the following information and attachments will provide details of the SAC Residency Program for new SAC candidates the 2012-2013 academic year. Please read the following information carefully and be sure to follow all instructions. If you have any questions regarding the SAC Residency Program or certification requirements, please contact Kenneth Figgs at 609-292-6378 or send an email to SAC@doe.state.nj.us.

CANDIDATE REGISTRATION FORM(S) AND INSTRUCTIONS

Holders of Certificates of Eligibility (CE) or Certificates of Eligibility with Advanced Standing (CEAS) who are employed by a public school must be registered into the SAC Residency Program. Registration and application for the provisional license will be accomplished by faxing the Registration Application/Statement of Assurance (see attachment A) to 609-984-3356. This number has been assigned exclusively for the registration of candidates participating in residency/induction programs.

SAC RESIDENCY

SAC forms and information are available for download at http://www.nj.gov/education/educators/license/sac/. This is a password protected site exclusively for the use of school districts. To login, the username will be sacforms and the password will be district123. SAC Registration packets will no longer be mailed to districts via U.S. mail. All candidates will be registered using the form available online.
CERTIFICATE INFORMATION

- Both the Certificate of Eligibility (CE) and the Certificate of Eligibility with Advanced Standing (CEAS) authorize candidates to seek employment as a Student Assistance Coordinator. A provisional certificate is required to legalize employment.

- IMPORTANT: Holders of the CE who complete the residency requirements under provisional certification are not eligible for standard certificate issuance until they successfully complete the coursework requirements for SAC. All CE candidates must complete a New Jersey State-approved program (see attached list). Out-of-state coursework/programs will NOT be accepted. Please refer to the original evaluation that the candidate received from the Office of Certification and Induction for more details regarding the current New Jersey approved SAC program that must be completed. If an evaluation has not been received, please contact our office immediately.

- Provisional certificate issuance may not be requested by an agency. It must be requested by a public school district or approved private school.

RESIDENCY REQUIREMENTS

- N.J.A.C. 6A: 9-13.2 requires SAC candidates to complete a state-approved school district residency lasting at least six months, but no more than one year under a provisional certificate. This is predicated on full-time employment. The Student Assistance Coordinator Evaluation should be completed when the residency has been completed for 6 months.

- The SAC residency must be at least half-time. Candidates with half time Student Assistance Coordinator appointments will need to participate in the residency for 12 months. The Student Assistance Coordinator Evaluation should be completed when the residency has been completed for 12 months.

- No residency program may be undertaken without a valid state-approved agreement.

- The SAC residency may be completed in either a public school district or approved private school.

- The residency program shall be conducted under the direction of a residency supervisor who holds standard New Jersey supervisor, principal or school administrator certification and is employed by the hiring district of the SAC candidate.
