Charter School Payment Schedules for 2018-2019 Based on Projected Enrollment

This memo serves as official notification that the 2018-2019 charter school payment schedules based on projected enrollment are available through the “School Aid” application found in the New Jersey Department of Education’s (NJDOE) Homeroom webpage.

Please initiate payments in accordance with the 2018-2019 payment schedules, which are based on the 2018-2019 Governor’s proposed budget. (Note that the proposed budget is subject to change in the 2018-2019 Appropriation Act.) Pursuant to N.J.A.C. 6A:23A-15.3, districts are required to initiate 2018-2019 payments to the charter school based on the charter school’s projected enrollment. For details on the projected charter school aid calculation, refer to the letter from the NJDOE available in your district/charter school Homeroom folder entitled “FY2019 Charter School Aid Notice,” dated March 15, 2018.

A revision to the payment schedules will be available to school districts in December 2018, reflecting actual enrollment as of October 15, 2018 in each charter school in your district.
