2017-18 Statement of Assurance for High School Voter Registration

In order to assist school districts, charter schools, renaissance school projects, approved private schools for students with disabilities and nonpublic schools in complying with the requirements of *N.J.A.C. 6A:32-14.2*, the New Jersey Department of Education is issuing a [High School Voter Registration Statement of Assurance](#) (SOA) for school year 2017-18, to be submitted to the Executive County Superintendent no later than November 30, 2018.

The SOA affirms that the school district, charter school, renaissance school project, nonpublic high school, and private agency that provides educational services for high schools by means of public funds, has complied with all the requirements of the High School Voter Registrations Law, pursuant to *N.J.S.A. 18A:36-27*. The High School Voter Registrations Law requires administrators to distribute voter registration materials, a summary of voter registration eligibility requirements, materials describing the role of a citizen and materials articulating the importance of voting to all eligible high school students prior to graduation.
