Resource List Being Developed for Child Study Team Evaluators for Students Who Are Deaf or Hard of Hearing

The New Jersey Department of Education’s Office of Special Education is developing a resource list of Learning Disability Teacher-Consultants, School Psychologists, and Speech/Language Specialists who are qualified and experienced with evaluating students who are deaf or hard of hearing. These evaluations are to be conducted in the child’s preferred language, whether it is sign language, spoken English, or a combination thereof. Once assembled, the provider list will be posted on the Department’s website and available to local school districts that are seeking assistance with child study team evaluations beyond the availability of the New Jersey Specialized Child Study Team.

For more information about being included on this list, please email purchasi@doe.nj.gov.
