Principal Learning Network Registration

The New Jersey Department of Education (NJDOE) is pleased to announce the second year of our statewide Principal Learning Network, a free, year-long professional learning experience for new and experienced Pre-K-12 school principals. The purpose of the Principal Learning Network is to provide collaborative and supportive professional learning experiences where principals can exchange ideas, seek guidance and share resources that promote access to a well-rounded and equitable education for all students. The program includes the following components:

- Two-day Summer Institute
- Four Principal Learning Network Meetings (in-person), which includes two regional meetings
- Access to Leadership Partners
- Book Discussions
- Principal Learning Network Celebration

During the two-day Summer Institute, participants will have the opportunity to hear from a keynote speaker. In addition, participants will be able to select four breakout sessions to engage in discussions with other principals throughout the state involving topics that are critical to the work of principals. A tentative agenda is provided below. As part of the Principal Learning Network, participants will receive support in implementing their annual goals. Throughout the year, participants will be able to engage in discussions and receive feedback from other principals in addition to having opportunities to collaborate with Leadership Partners and consult with NJDOE staff from various program offices.

The Principal Learning Network Institute will be held at The College of New Jersey on August 12, 2019 and August 13, 2019 from 8:15 a.m. to 3:30 p.m. There is no cost to participate in the Principal Learning Network. However, space is limited; therefore, participants are encouraged to register as soon as possible. Deadline for registration is July 12, 2019. Attendees are asked to take part in all aspects of the Principal Learning Network, including the two-day Summer Institute and the Principal Learning Network meetings (in-person).

Please contact Tonya Breland at Tonya.Breland@doe.nj.gov for questions about this event.
