List of State-Imposed Special Education Rules, Regulations and Policies

In accordance with federal requirements (20 U.S.C. §1407(a)), the New Jersey Department of Education’s (NJDOE) Office of Fiscal and Data Services is making available the annual list of rules, regulations and policies involving special education that are state-imposed, i.e., not required by the Individuals with Disabilities Education Act (IDEA) or federal regulations.

The NJDOE is required to annually provide the list to the U.S. Department of Education and all Local Education Agencies. The NJDOE must also include the list with its annual application for federal funding.

The NJDOE’s Special Education webpage contains the updated list of State-Imposed Special Education Rules, Regulations and Policies.
