Notice on Class Size Enrollment

As a reminder, in accordance with state code, N.J.A.C. 6A:32-8.3, an approved kindergarten maximum class size is 25 students per teacher and 21 students in former Abbott school districts. If the class size exceeds the maximum enrollment class size, the district superintendent must report and request approval of an increased class size to the New Jersey Department of Education’s Executive County Superintendent (ECS). The ECS may give permission to increase the number of students in a non-Abbott classroom provided there is another teacher, auxiliary teacher, or a teacher aide is employed full-time.

If you have questions or need further clarification, please contact the appropriate County Office of Education.
